ECOLOGICAL LANDSCAPE ALLIANCE

SPONSORSHIP OPPORTUNITIES

## PREMIER PARTNER

*Full-Spectrum, Year-Round Presence*

**\$3,750**  
per year

*As a Premier Partner, you stand tall across ELA's most prominent platforms: all conferences, including the Annual Conference & Eco-Marketplace, Lecture Series, Community Forums, and EcoTours. Your visibility spans the full arc of ELA's program year, placing your name at the center of the conversations, connections, and decisions that shape the ecological landscape profession and movement.*

### About This Tier

The Premier Partnership is ELA's flagship sponsorship tier — designed for organizations that don't just want to be seen but want to be woven into the fabric of everything ELA does. Your brand integrates across every online and in-person program, every publication, and every major event throughout the year.

This is where industry leaders plant their flag. By incorporating both the Annual Conference & Eco-Marketplace and the Season's End Conference, this tier delivers unmatched visibility, influence, and direct access to the most engaged professionals in the ecological landscape field.

### Who Is This For?

Industry leaders, larger organizations, and brands that want to be synonymous with ELA's mission. Ideal for organizations ready to invest in a year-round, fully integrated presence that positions them as essential to the ecological landscape profession.
